NorWest Community Food Centre

Attention Lila Knox:

On behalf of the Board of Directors of Sparling United Church I wanted to extend our gratitude for the grocery bags regularly delivered to seniors in the Brooklands and Weston communities. Some of the members of our Congregation who live in the community were recipients of these groceries and they have remarked how helpful it has been for them, especially from the perspective of income challenges, increased grocery prices and difficulty getting to the grocery store with reduced transit schedules. Sparling United Church has served this community since 1904 offering regular cycles of food bank, counsel, outreach and advocacy. We have worked with Norwest on several projects over the years, valued that partnership and we are delighted to see how quickly the cooperative sprang into action alongside other non-profits and churches in the community.

Thank you.

A handwritten signature in black ink, appearing to read 'Scott MacAuley', written over a white rectangular area.

Rev. Scott MacAuley, *B.A., M.Div.*
Pastor, Sparling United Church
