NORWEST CO-OP COMMUNITY HEALTH Posting

POSITION: Social Worker and Community Facilitator
18 month term 1.0 EFT

PROGRAM: Community Development

RESPONSIBLE TO: Community Development Coordinator

POSITION SUMMARY:
NorWest Co-op Community Health requires a Social Worker and Community Facilitator that will work with the neighbourhood of Gilbert Park to build community capacity and support the community with health and wellness initiatives. The position will work with partners as a team to offer the best quality services to the residents of Gilbert Park, while actively encouraging community involvement. The position will work closely with other community development programs and encourage active citizen participation. In addition, the Social Worker and Community Facilitator will provide counselling and support to youth and families residing in Gilbert Park and will develop and implement, as part of a team, mentoring, leadership and skill development programs. The position will assist service providers with support to families in need. The position will work with all partners to develop and implement a community plan. Hours for this position are from 11:00 to 7:00 pm and possibly Saturdays.

QUALIFICATIONS

- Degree and registry in Social Work
- Experience working in community development and community education.
- Knowledge of community resources and community development principals and practices.
- Experience in counselling: individual, youth, and family.
- Strong communication and problem solving skills.
- Empathetic, non-judgemental approach.
- Ability to work well within an interdisciplinary team in a variety of settings.
- Knowledge and experience with diverse cultures and economic backgrounds.
- Skills in leadership development and group facilitation.

Salary and benefits as per CUPE.

Closing date: October 9 2020
