NorWest Co-op Community Health Centre is committed to creating a place that is welcoming and respectful for patients, families and staff.

How you feel about your care is important to us.

If you have questions or concerns about your care, please talk to:

- Any member of your care team
- Ask any team member to connect you to a manager who will:
 - Listen to your concerns
 - Work with you as needed
 - Help develop solutions that are respectful to everyone involved
